Greenvale Co-operative Homes Inc. Health and Safety Policy Statement

Greenvale Co-operative Homes is committed to preventing the accidental loss of any of its resources, including employees and physical assets.

In fulfilling this commitment to protect both people and property, the manager will provide and maintain a safe and healthy work environment, in accordance with industry standards and in compliance with legislative requirements, and will strive to eliminate any foreseeable hazards which may result in property damage, accidents, or personal injury/illness.

We recognize that the responsibility for health and safety are shared. All employees and volunteer members will be equally responsible for minimizing accidents within our co-op.

Accidental loss can be controlled through good management in combination with active employee and member involvement. Safety is the direct responsibility of all employees, and member volunteers.

All co-op activities will comply with safety requirements as they relate to planning, operation and maintenance of facilities and equipment. All employees will perform their jobs properly in accordance with established procedures and safe work practices.

Greenvale recognizes the Occupational Health and Safety Act of Ontario as the guiding legislation for it's safe operation and pledges to uphold its decrees.
