Information Distribution and Fund Raising Policy:

Greenvale will not distribute any information whose intention is to solicit monetary or any other form of support without prior board approval.

Co-op housing sector, legislative, service manager or internal information about Greenvale and it's operations may be distributed by staff at their discretion.

Greenvale will not distribute information for or visibly take part in raising funds for any individual or agency or Greenvale itself. As a non-profit corporation that is not a charity, Greenvale recognizes the need to generate revenue only from the use of it's housing stock or attachments to it.

This does not limit a member's right to use public bulletin boards, the common room or common area of the co-op to carry out such activities.

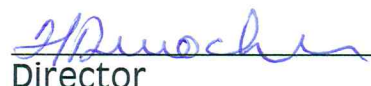

These activities may include:

- Yard/Garage Sales
- Bake Sales
- Penny Sales

All fundraising activity on Greenvale property must have prior approval from the board of directors.

Approved by the Board of Directors at a legally constituted board meeting on September 26th, 2013.
